

Y8 Research Topic - Teacher Feedback

Group Presenting

	Score / 5
Clear topic (you knew what the person was talking about)	
Length of presentation (should be around 1 minute each)	
Evidence of research (facts and quotes)	
Quality of slideshow (simple, consistent, not distracting)	
Total Score (/ 20)	

Task: Controversial Topic

Assessment: MEP / EP / BEP / UP

What was good

You have:

- Presented a clear argument
- Shown that you can research effectively, taking into account reliability concerns
- Used evidence to back up your points
- Used appropriate tools to create an effective slideshow / handout

Improvements

You could have:

- Made your arguments more clear
- Used less text on the screen
- Used more consistent fonts/colours to make your slideshow look more professional
- Used more research and evidence to support the arguments you have presented

Next Steps

- State which group gave the best presentation, and say why
- Suggest (and justify) 3 improvements for your group
- Discuss importance of checking that data is reliable when conducting online research
