Linux and the Command Line

A CAS Master Teacher CPD Session

30 June 2015

Lesson Plan

* Boot up a Pi

* Login to Linux

* Software

* File Management Commands

* Package management

* Plenary

Audience & Purpose

☐ I want to learn about Linux in general, and how I can improve my delivery of computer science / computing

☐ I want to learn more about how to use Raspberry Pis in my teaching

☐ I want to prepare for delivering unit A452 in GCSE Computing
